

SENIOR PASTOR

Journey Church • Conway, NH

Journey Church, a vibrant and growing church of 250 located in beautiful Conway, NH, is seeking a Senior Pastor to lead and shepherd the congregation. Journey has a strong trajectory of building and growth! About 12 years ago, after many years of decline, we were faced with the decision to close or to re-plant. We chose the latter, and began the hard work of changing our culture and focusing on Christ's mission under a new Pastor. The church began to grow, and within a few years our facility was no longer able to hold us. We purchased property and began work on a beautiful new facility, which we moved into in 2017! Since then, the church has continued to grow and thrive, both within the body and in our impact on the community. We have a deep commitment to live our lives in and outside of the church as authentic followers of Jesus. We're not perfect, but we are relentlessly pursuing a Holy God who is full of grace and mercy for those who will come to Him. We desire to show the world around us that Jesus is real, He is serious about lives, and He is seeking a relationship with anyone who will put their trust in Him alone.

Conway, New Hampshire is a beautiful, four-season vacation destination in the White Mountains and the major commercial and tourism center for this region, drawing people to the mountains for skiing, hiking, climbing and all types of outdoor activities. For residents, it retains its small-town feel (year-round population is about 10,000) and yet has the amenities of a suburban center, with a bustling restaurant and retail scene, good schools, services and recreation for families.

Our next Senior Pastor will be a solid bible teacher and preacher; a high capacity leader who can focus on multiple ministry and leadership fronts at once; one who is able to build staff and leaders, and equip the people for ministry in the church and in the community.

This position requires a bachelor's degree in Bible, Theology, Pastoral Ministry or other ministry-related field and 3-5 years' pastoral experience in a mid-size church. Candidates already licensed with the Christian & Missionary Alliance (C&MA) are preferred; but all candidates must be willing and able to meet licensing and ordination requirements with the C&MA.

To be considered for this position, please forward your resume and accompanying materials to the New England District office of the C&MA, attention:
